

# FTP-access Ellerhold Wismar GmbH

You can copy your files to our inhouse-ftp-server:

serveradress: **ftpw.ellerhold.de**  
username: **ftpgast**  
password: **ftpgast**

Attention: Files that are uploaded via this account are not visible for outsider. That also applies to the sender after uploading. This is necessary for discretion reasons.

If sometimes it is not possible to connect to this server, you can use the following:

serveradress: **ftp.ellerhold.de**  
username: **web3f1**  
password: **transfer**

Here please use the folder: „incoming Files for Wismar“.

Please use this server only exceptionally, because we have to download the files ourselves, as it is not inhouse.

Please consider:

- because of allocation, it is necessary to name the files with the right job- or quotationnumber
- do not copy open files, please zip or stuff them (above all the fonts)

actual ftp-browser are:

**Mac OS X:** Fetch, Cyberduck (Freeware)

**Windows:** Filezilla, WiseFTP
